## FEBRUARY 2012

It is hard to believe February is here already. The kids really enjoyed learning about Martin Luther King Jr. They also enjoyed making mittens, making new years hats, and dancing around with Miss Sue.

The themes for the month of February are Dental health, Valentines Day, the post office, and The five senses. Some of the things we will be doing are, painting with toothbrushes, valentine wreaths, making our own postage stamp, and what are five senses are.
